PRESIDENTS REPORT

DECEMBER 2020

Hi everyone.

Merry Christmas and a better 2021 to you all.

Welcome to a brief newsletter to keep you up to date with what is happening in and out of the club.

This will be one year we will all be happy to see the back of I am sure.

With this bloody COVID-19 crap it will be good to start off 2021 almost fresh without the threat of getting a cold or a COVID-19 test. Regarding 2020, piss off and do not come back.

In the new year we will start to get runs up and running again thank goodness. Thanks to some members we have had the opportunity to get some outings in the calendar for 2021 starting off with a New Years Flinders run organised with thanks by Rick and Kay Smith. Details further in this newsletter.

We are going ahead also with our planned Silo Tour that was planned for this year, postponed, planned again and the cancelled altogether. So, it is back on again and details are further in this newsletter.

I have also included a few runs that are up our way but for those who do not mind a drive I have put them in as well.

For those of you who are still having a hard time, who are unwell or just a bit down in the dumps as we all have over the past months please feel free to contact Sue and myself for a chit chat and if we can do anything for you, please don't hesitate to reach out. Or contact Beyondblue 1300224636.

Many thanks,

Gary Turner.

How to organise and put on a run.

Choose a month and a date that you can help

Once chosen, decide on a time and place to meet

Contact Sue and let her know so she can co-ordinate with the editor and committee.

Ask members to say if they are attending and make sure you have their phone number and give members yours. This will be possibly put in the newsletter anyway.

On the day get to the meeting point a few minutes early if you can.

Wait for members to arrive and leave at the designated time.

Try and travel in convoy. Do the right thing and if you cannot see the member behind you, stop and wait for them in a safe place. Another reason why you need phone numbers.

Upon arriving check that everyone has arrived.

Take a note of who came, where you went, what happened, any story and any other details for doing a run report.

BMC LEYLAND CAR CLUB RUN

New Year's Day 2021

Every New Year's Day, several club members enjoy a picnic lunch on Flinders Golf Course above Mushroom Reef overlooking Bass Strait.

This is a chance to enjoy a peaceful time looking out on the ocean, reflecting on the past year. This is not an official club run, simply an invitation to join us if you have nothing else happening, to welcome in the start of the New Year with friends from the club. Hopefully, the weather will be kind to us yet again.

We usually either buy fish and chips from Flinders Fish and Chips opposite the pub or bring a picnic lunch whichever you prefer. The flinders fish shop also has the worlds' biggest vanilla slices and they are huge!

We will meet at Kay & Ricks house @1Tuerong Place Hastings (cnr Henderson's Rd) at around 10:30am for an 11:00am departure, taking a slow and scenic drive to Flinders where we will meet up at the Flinders Fish and Chip Shop. (Through roundabout opposite pub 2nd exit)

We will then drive on to the Golf Course. Bring chairs, table and so on. Umbrellas might be useful in case it is sunny.

This will just be a relaxing day with good company among friends. Let us know if you are coming so we can wait for you in case you are waylaid.

Any questions phone Kay 0412813145

CLUB RUN

Organised by Alan and Yvonne Bennett

Meeting point:

Berwick Main Street

Meeting time:

9am for a 9:30am depart.

Set aside Saturday, April 10, 2021 for a glorious drive through the eastern side of the Dandenong Ranges – hopefully, some of the trees will be putting on their spectacular autumn colour thanks to cooler nights and the potato fields around Cockatoo and Gembrook will be a lush green with harvesters tilling through the rich red volcanic earth bringing in the crops. The trip will be on gently winding country roads with all bitumen surfaces.

Starting from Berwick Main Street central car park at 9.30am (above the public toilets) we will tour through the outer reaches of Berwick onto the Emerald-Beaconsfield Rd towards Emerald. The trip will take us through the picturesque village of Upper Beaconsfield before a morning tea stop at the colourful and unique Elephant Rock which overlooks Cardinia Reservoir (no toilets or seating).

From there we will travel through the hills around Upper Pakenham and Gembrook before stopping at the Ash Wednesday Bushfire Education Centre in Cockatoo for a tour around the centre. (Toilets available). The building holds a special place in the hearts of locals as it was the refuge for many families during the disaster. Re-developed as an education centre three years ago and staffed by volunteers it provides information on Ash Wednesday, outlines how the community has rebuilt itself, and importantly offers advice on staying bushfire safe in the home and garden. (Public toilets available). The education centre is all set for our arrival 10.45-11am.

The building is filled with information and we expect most people will be happy to linger for 45 minutes or so before we head off for the lunch spot – arriving 12.30ish. Bring a picnic lunch and camp chair for our destination of the day travelling through the popular town of Emerald and onto Wellington Rd for lunch at one of Melbourne's most picturesque outdoor destinations - Cardinia Reservoir Park at Narre Warren East. The lush Australian landscape includes views of the dam wall and spillway and has many spots for us to enjoy lunch to end our day. Those who want to linger can try out the well-formed and signed walking trails and others needing to get going can travel along Wellington Road towards Rowville, Narre Warren, or the northern suburbs.

Remember your picnic lunch, chair, and teas/coffees as none of our locations provide these facilities. Please let Gary and Sue know that you are attending or contact Alan or Yvonne on 0407 545 992 or 0437 158 958.
