BMC-Leyland Car Club Inc.

To all members.

After a great deal of thought and due to our location in Shepparton and my personal health battles, Sue and I have decided to resign from all our committee positions within the club effective from the next AGM to be held in the middle of this year, possibly July.

We feel that for the past 10 years we have done more than enough to get the club up and running from the beginning to where it is today with a healthy membership of over 170 financial members and having the club in a solid financial position.

Sue and I have had a great deal of fun and satisfaction in running this club and from the very beginning we never intended to stay in our roles for as long as we have. We will stay on as members of the club but as we no longer have a classic vehicle and have no intention of ever getting another it's time to pass the baton onto others in the club.

This also means that we will not be organising runs up here in the North of Victoria (unless the ones we have at the moment are supported) and for those in the North, Sue will stay on as a signatory for the Club Permit Scheme so northern members can get their renewals signed.

So, as of the AGM the following positions will be available.

Please give these positions serious thought as it's not such a big job after all Sue and I had never done anything like this when we started so all the work and setting up has been done for the next generation to take over.

Major Events

Sue and Gary's positions which will become available from the AGM. Details please phone Sue on 0421841939.

We have done all these positions plus more for ten years and started from scratch with no experience and we were working full-time when we were doing them. Anyone can do these roles so seriously think about it. You will get so much satisfaction from any role you take on. Certain conditions are required before you can become a committee person so it would pay to check with the president before nominating for any of the positions below.

Vice President.

To help and assist the president in his duties as required.

Editor.

Put together the magazine with the help from Richard and Frank. Richard, Frank, and the secretary to proofread prior to publishing.

The editor gets the use of the club printer and scanner. Paper for the 17 posted copies and the Ink and maintenance box will be paid for by the club. Postage, envelopes, and everything else is paid for by the club.

Supplied with a template you can use or do up a new one to suit your suitability.

Easy job once you have set up.

Trophies.

Can be ordered through Gary and a book of what you can pick from. Engraving done by a 'Mr. Minute' in most shopping centers.

Membership.

To contact new members and vet as much as you can tell by a piece of paper. You are the first contact by new and prospective members. Liaise with the treasurer for payments.

Events.

To help and encourage members to do a run which can be anywhere and liaise with Richard.

VicRoads contact.

Your job is to stay connected with VicRoads and contact them for an update of cars on our club permit scheme. Make sure their records match yours and if there are any discrepancies you must let VicRoads know and make sure they update immediately.

Regalia.

Regalia can be ordered by current contacts which will be supplied.

Major Events.

AGM and Christmas functions and any other special event will have to be sorted. A sub-committee should be thought about.

Presidents Report February 2024

Hi all,

Well, summer finally came this week. Even though the forecast was for temperatures in the high 30's, it didn't deter our members from attending Sunday the 4th's run to Launching place. It did however cause quite a number of members to leave their classics at home, and come in their air-conditioned moderns, but that's ok, it's the members that are the most important part of the club. I've been going on club runs for 23 years, and that was the first time that I'd left my club car at home. Many thanks go out to Robert and Jan Bothwell for organising a fantastic drive from Lilydale to Launching Place. With 38 members in attendance, and 25 cars, it was a great day.

Our next run has been organised by Richard and Carole Simpson. On Saturday the 24th of Feb, we will be travelling cross-country from Warrandyte to Beveridge, for lunch at the historic pub there in Ned Kelly's birthplace. Once again as much as we like to see the old cars, it's more than ok to come in your modern.

As you will all know now, Sue and Gary are stepping down from their committee roles at the AGM this year. They will be sorely missed; due to the effort and passion they have put into the club over the last ten years. Without them, this club would not exist. I'm sure you will join me in thanking them for all the hard work they have put in to make this club the great social club that it is.

Well, that's it for now, so until next time,
I look forward to seeing you on a run soon.

Francis.

Current membership is 172 with 162 with 2 pending – Sue.

Occasional “Free Tickets” to events exclusive to BMC-Leyland Car Club members..!!!

From time to time the Club is offered **free tickets** to events which often Club member Paul Buck has offered to co-ordinate distribution to members on a first come / first served basis..!

In the past this has included air-shows such as Tyabb, historic car days at Sandown, Philip Island and Winton, and Show-n-Shine events!

Sometimes there are conditions that we are providing a static “mini show” and need to fill a quota to compliment a bigger event... And sometimes, the tickets are totally free entry , other times they are free entry for car & driver only with any passengers have to pay an entry fee...

Some upcoming “free tix” for members that are available at the moment – please note that both are over the March Long Weekend..

– **contact Paul Buck if you can go on mobile 0412.627.711 (first in / first served)**

TYABB AIR SHOW 10TH March, 2024

In this edition of the Wobbleknocker there is an Ad for an “extra club run” to the annual Tyabb Air Show with 10 free tix provided by our very own car club member Peter Bernadi who is also on the air-show organising committee.

The Air Show are asking a number of car clubs to provide 10 cars for a series of displays around the site!

We’ve made it a “club run” led by Paul Buck as we have to arrive early in convoy for entry and be escorted to our display location...

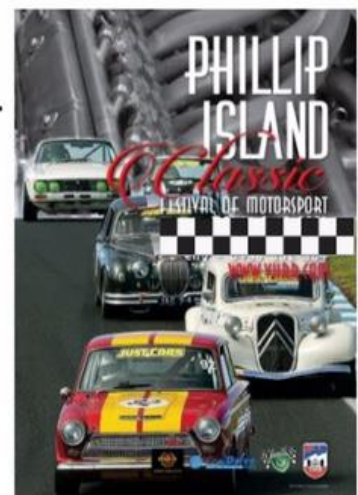

Contact Paul if you can go...!

PHILLIP ISLAND CLASSIC FESTIVAL OF MOTOR SPORT 9th & 10th March, 2024

We also have free tix available for the Philip Island Historic’s covering two days being the 9th and 10th of March, 2024.

No club run is planned so this is for individual members who might like to go along !

The tickets cover car and driver only with any passengers needing to purchase a ticket at the gate ! **Contact Paul..!**

"Club/Garage Get Together"

At Vince and Marion Stok's home.

Vince and Marion welcome members and partners to their home for a general get together.

Vince is happy to show his cars, motorbikes and projects to those who are interested.

10am onwards.

27 Mawby Rd. Bentleigh East.

Tea, coffee and light refreshments will be provided by the hosts.

No need to bring anything.

RSVP. 3rd March. Marion on [0411467980](tel:0411467980).

Northern Runs.

The Northern runs Sue had planned have all been **cancelled** due to a lack of interest. We have done our best to organise runs up this way for all club members, especially members in the North where we live and have had little or no interest from members. We have done some in the past and only had fewer than a handful participate, which was extremely disappointing for us.

So, for Northern members you will have to keep your eyes open on runs being done elsewhere in Victoria.

Gary and Sue.

Kerrisdale Mountain Railway and Museum. CANCELLED

Tatura P.O.W. Camps with lunch at the Tatura RSL.

Heathcote – Valley of Liquidambar. CANCELLED

Calling on the main bakery to have a picnic lunch.

Milawa Cheese Factory CANCELLED

For lunch and sample the delights of the area.

Midweek Lunch or Picnic Run. CANCELLED

TBA but will be something different.

Yarrawonga Lunch on the Paradise Queen. CANCELLED

A lunch cruise on the lake.

RUN REPORT.

LILYDALE TO LAUNCHING PLACE RUN REPORT – 38 MEMBERS AND 25 CARS SUNDAY 4th FEBRUARY

A GREAT SUMMERS DAY OUT - AND A "VERY HOT" DRIVE HOME...!!!

A beautiful morning greeted us at the Lilydale meeting point along with 38 members, friends and 25 vehicles. In the shade of a tree the run route notes were handed out with advice on negotiating our turn off the Maroondah Hwy.

The run of about 40 kilometres (with the accent on a slow easy pace) was designed to take in the wonderful scenery on a meandering route up through Mount Evelyn and behind the Dandenong Ranges to Silvan, then heading through flower farms, market gardens, orchards and winery's with magnificent mountain views across the upper Yarra Valley through Wandin East and Seville to Rayners Orchard and its very own Peaches Café in School House Road Woori Yallock.

A 45 minute stop at Peaches Café allowed for an unhurried coffee, tea or cold drink plus fresh baked "large" scones, jam and cream for those who were feeling a little "peckish" - which seemed to be most people...!

A 15 minute drive took us to The Home Hotel at Launching Place where we had our own private area to make as much noise as we wished.

A vast menu to cater for all from small to large meals was placed before us. Thanks must go to the hotel staff who were very pleasant and processed our meals in a timely manner. The club through our treasurer Cheryl paid for our tea/coffee at the end of the meal with most of us leaving around 2.30 pm to try and beat the heat of the day on the drive home....

Some announcements were made for future runs and some committee positions still to be filled - with a really good response!

Special thanks to all members who attended this run on such a very hot day. And to Richard for his assistance in making this event so successful for everyone.

Best wishes from *Rob and Jan Bothwell* - Run coordinators

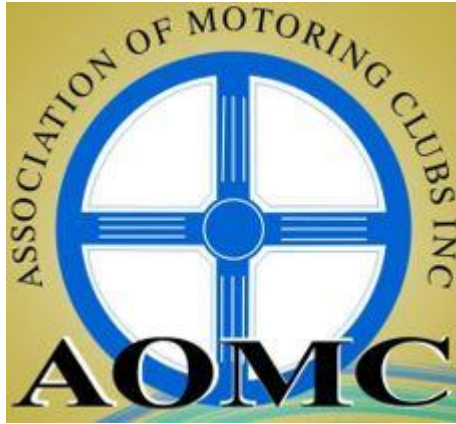

A Pub was first built on this site in 1883.

The current Pub was built in 1902 to cater for travellers and the ever increasing settlers into the area. It fast became a favourite for car and train tourists alike in its hey day!! Now the rail traffic are cyclists, and the newly reimagined hotel opened in 2022 is again a tourist magnet.

Some interesting information from the AOMC.

AOMC Carbon Offset Program The AOMC is offering motoring enthusiasts the opportunity to support the environment through a carbon offset scheme. This program enables you to demonstrate a commitment to both the environment and to the preservation of our motoring heritage. It also allows the AOMC to highlight to government that the environment and our heritage fleet can exist in harmony. This will, amongst other benefits, help us to support the current Club Permit system.

The annual tax-deductible carbon offset fee for a collectable car is very cheap (\$18 for 3000 km/year and \$36 for 6000 km/year) recognising that our historic cars produce very little greenhouse gas per year.

Why should you purchase Carbon Offsets? As an enthusiast you probably have a favourite type of car. You also understand that other people like different cars. Some may like old army jeeps, while others like sleek sports cars. And then there are those who like old trucks or even old Triumphs (your parents or grandparents may have owned one as you were growing up). But there are other people who see old cars as just being out of date, unsafe and unnecessary users of petrol.

We understand that big SUV's produce a lot more greenhouse gas than many of our collectable cars, especially as our collectable cars are only driven occasionally. The scheme developed by the AOMC with GreenFleet enables us to show to government and the general community that we are committed to both the environment and the preservation of our motoring heritage.

GreenFleet Why buy offsets from GreenFleet? This is a widely recognised not for profit organisation that, since 1997, has planted over 10 million trees and created and is maintaining over 500 biodiverse forests. It is also recognised by the Government with accreditation to provide tax deductible receipts. For more information, including how to purchase carbon offsets, go to the AOMC website: www.aomc.asn.au/carbon-offset

Should we belong to this organisation, we used to be. Something for the new committee to look into. I find the information they provide very worthwhile but that's just me. Gary.

The CPS Officers of the club are under **NO obligation** to remind you to pay your **VicRoads Club Permit**.

Up to now it has been a courtesy to send you a friendly reminder, this now **STOPS**.

You get a reminder in the post to pay from VicRoads, **PAY It**. It's that simple.

Your utilities providers don't contact you to pay a bill, neither should we.

It is illegal to drive your car any time after the expiry date on your permit.

Yes, you may have a couple of months grace to pay but as of the date of expiry you **must not** and **cannot** drive your classic car, no excuses.

There have been members recently that have just forgot, **NOT GOOD ENOUGH**.

You need to be more responsible to pay your club permit without the CPS officer reminding you.

Thanks, Sue.

A happy day for Gary and Sue, 10/12/2023.

For those of you who are interested I have included some photos of our recent marriage of our daughter Chloe to her soul mate Tasha. It was a beautiful and joyful day, and the girls made their own outfits with specially designed and handmade fabric. An incredibly delightful day and we are incredibly happy parents. I am glad I was there to celebrate with them after the year I have had. Gary.
