Hi members.

Well, another AGM is done and dusted and this year we have a few new people who have offered to help out. Wendy Boyle has taken on the role of secretary, thank you, David Rooks has taken up the new role of events and the promotion of the club north of Melbourne and will liaise with Richard Simpson who looks after the events in Melbourne with Sue Wilson co-ordinating all the runs and events. Francis Borg has taken on the role as our webmaster after I was having difficulty with it. Russell Linden is a new signatory for the CPS. With the new additions to the committee, it has taken the pressure off me which has been a blessing and I thank them all as well as everyone on the committee.

There has been a bit of talk about the date of the 'Battle of Waterloo' to be held on Saturday September the 24<sup>th</sup>. (Wobble Knocker did state Sunday 24<sup>th</sup> – my mistake, sorry)

This date and day happens to be the same day as the AFL Grand Final, which is unfortunate, but our club didn't organise this run. The date and this run has been organised months ago by the Citroen Car Club and at that stage the AFL had yet to confirm the date of the grand final. With that said it is our hope that people can do both and if you leave at 1:30pm you will more than enough time to get home for the footy.

The Festival of Speed at the Winton Raceway is on the 7<sup>th</sup> of August which is in just a few weeks away. We have decided to make it a weekend run for those who are interested. David Rooks is organising a mystery run for those who come up on the Saturday, with a meal out on the Saturday night. I know some of you are hesitant in making the trip up here to Shepparton but it's just a couple of hours away and it will be most worth attending. More details further in the newsletter.

Membership is looking really good for the club with just a few more members to pay their membership. Sue has sent emails to those unfinancial so if you got one and have paid, my apologies. If you don't intend to re-join this year, that's perfectly fine but please let Sue know so she can update our membership database.

Thanks everyone, stay safe,

*Gary Turner*

With the Melbourne Run Coordinator position very successfully and efficiently held by Richard Simpson it was put to the meeting and agreed a new committee position to coordinate and manage Shepparton Runs and Membership be created, it was agreed David Rooks of Shepparton be appointed to the role.

Regalia: Number Plate surrounds - Too many sizes required, too costly, the last batch could not even be given away. - after some discussion there was agreement not to revisit this option.

Name Badges: Sue Wilson has purchased them for most of the new members and those that had said they required one.

They are available after the meeting.

If you have not collected yours or need a name badge, please contact Sue Wilson.

Caribbean Gardens Event: Paul Buck to follow-up details

Questions/Suggestion from the floor

Yvonne Bennett raised the question of the capacity of Gary Turner and Sue Wilson being able to run the club from Shepparton, especially given the recent growth of the Shepparton chapter. After discussion the meeting agreed that new chapters under one large club banner was important for the health and ongoing success and growth of the club.

Unanimous support was given to Gary and Sue continuing to run the club.

Discussion and suggestion that run coordinators could organise as part of the run arrangements, a member from North, South, East, and West to act as leaders of mini runs to attend the arranged run or final meeting point.

This was raised and suggested as there are now an increasing number travelling quite a distance alone to attend runs.

Run coordinators and executive to have further discussions about how this would work, to ensure clubs health and success and all members are included, willing and able to participate in events.

Gary asked for a volunteer to Chair the AGM to follow this meeting: Alec Robinson agreed.

There being no further business, Gary closed the meeting 12.45pm
