Hi members.

Welcome to another edition of the club magazine, The Wobble Knocker for October 2022 number 96.

Firstly, I'd like to welcome a couple of new members. Neil and Marilyn (Moe) Healey who are the proud owners of a beautiful 1985 Rover SDI Vandenplas. Vincent Stok will love this car. Also, we have Mathew Marques who owns a 1968 Mini Kangaroo. Welcome.

Our last run to YARRA VALLEY SPRING RUN and TRAIN RIDE at Healesville was one of the largest runs (52) since the club began in 2014. Although this time there were a number of visitors who came along so an all members run, we didn't quite beat the number of actual members on any single run. An interesting array of vehicles I've been told were amongst the twenty or so which participated. Great job as always to Richard for organising the run, thank you.

Christmas Lunch and Show and Shine will be held at the same venue as last year, The Kilsyth Club, Canterbury Road, Bayswater, Saturday the 3<sup>rd</sup> of December starting at 11:30am. Sue is now taking bookings and payment in full please. Makes it easier if I don't have to collect money. Each booking MUST be paid for at the time of letting Sue know or your name will not be put down. Cost will be the same as similar years where each members pays just \$20.00, and non-members are \$35.00 per head. **PLEASE** let Sue know if you have any dietary needs when booking. Walk-ins on the day will NOT be accepted as the club has to pay for everyone up front and it will only confuse the staff and us for that matter. RSVP must be made by 30th November, no later please.

Apart from the usual Show and Shine and presentations this year I have got a special guest speaker who will be talking on a number of subjects referring to our cars. I'm sure he will be more than interesting for you all.

Unfortunately, I'm saddened to say that one of our members, George Symonds passed away recently and on behalf of the club I'd like to pass on my condolences to his family and friends.

Thanks everyone, stay safe,

# Classic car club comes to Shepparton

By Deanne Jeffers

WHEN Gary Turner started the BMC-Leyland Car Club in 2014 with co-founder, Francis Borg, they had both been long involved in several car clubs and sought to create their own group that placed enjoyment of cars and good company at its core.

When president Gary retired and moved with his wife to Shepparton, they created the Shepparton and Surrounds Chapter of the BMC-Leyland Car Club. At the time of writing, it has around a dozen local members, of 137 cars in total around the state, who are enthusiastic about vehicles built in various BMC than Leyland factories.

From Kyabram, Lloyd Newnham's 1960 MG Magnette Mark III is truly a unique vehicle, with only 75 in the world and five in Australia. The Mark III model was only in production for limited years before the Mark IV hit the conveyor belt.

You may recognise it from Australian television drama series, *A Place to Call Home* or from 2018 Australian comedy-drama movie, *Ladies in Black*.

Contrasted with Gary's 1996 Jaguar XJ6 (X300 Sport), which stands as the youngest car in the club, you get a taste for the varied vehicles and drivers in this unique club.

Gary said his 1996 Jaguar is 100 percent original and a "typical Jag," kitted out with technology well beyond it's time, including

air-conditioning, a radio and CD-stacker. It can often be found parked outside MOVE, where Gary volunteers at the museum.

BMC-Leyland's Car Club's ethos is simple: no fuss, affordable yearly subscriptions and minimum amount of ceremony. Membership is just \$30 or \$40 for a couple or family, and the BMC-Leyland Car Club is registered with VicRoads for the Club Permit Scheme.

"On every run we go on, nine times out of 10 the club will pay for various entry fees, coffees and even lunches for those members who come along," said Gary.

To get involved, contact Gary Turner on 0426 951 939 or email [bmcleylandcc@iinet.com.au](mailto:bmcleylandcc@iinet.com.au)

## **RUN REPORT.**

**9<sup>th</sup> October, SUNDAY.**

### **YARRA VALLEY SPRING RUN and TRAIN RIDE.**

Organised by Richard Simpson.

One of the largest number of members on our monthly runs attended the Spring Healesville run starting from the East Ringwood Footy Club carpark! 54 Club members and their guests along with over twenty classic cars, sensational!

With our new club banner flying out the front we soon had over twenty cars ready to head out towards the Yarra Valley.

Amongst the cars venturing out we had a great cross section of the BMC Leyland range including Mini's, Jags, Morris, Wolseley, MG, Triumph, P76 and more, including a Rolls Royce

So, at 9.45 we headed out and along Mt Dandenong Road in convoy heading through Croydon and Kilsyth greenery towards Montrose where we veered left onto Canterbury Road.

Through Montrose the road opened up as we skirted the foothills of The Dandenong's along Swansea Road with a quick loo pit stop for some at Lilydale Lake.

Then it was onto Maroondah Highway to Coldstream veering straight on at Dame Nellie Melba's estate onto the Melba Highway to travel past Yering Station and wineries on our way into Yarra Glen. Driving through the historic town and out the other side we soon arrived at the fabulous "Chocolateries."

Another half a dozen cars joined the convoy in the carpark, and after a quick g'day it was into the cafe for coffees and other treats.

Everyone enjoyed the free chocolate tastings, some had cakes, and others took the opportunity to do some Christmas shopping.

Then we drove along the beautiful Old Healesville Road with glorious views in abundance into Healesville to park around the heritage Train Station and Terminus Hotel.

For the forty who had secured seats on the train it was a marvellous trip on the fully restored Walker Rail Car out to Tarrawarra and through the old brick tunnel.

On return to the station, we walked across the road to a sensational lunch at the Terminus Hotel in the Melba Dining Room.

The room was fully reserved for the BMCLC Club - and the meals and the positive atmosphere was terrific. We raffled some wine donated by the hotel together with some goodies from

the Yarra Valley heritage railway society to raise \$265.00 to gift to the railway towards the continuing restoration of their Steam Engine currently at Newport Workshops.

Bruce Eishold on behalf of our president, Gary Turner who could not come on the day on upcoming events - and noted the clubs Christmas lunch new date, as well as Cup Day meet and the Christmas toy donations.

All too soon it was time for members to head home - some as far as Shepparton and beyond.

A wonderful day out - see you on another run.

Richard & Carole Simpson.
